Beautiful Mount Glenwood

The Coming Cemetery of Chicago and Cook County

Mount Glenwood Cemetery, located on the C. & E. I. Railroad, between the villages of Thornton and Glenwood, contains one hundred and three acres, more or less, of land which has been improved at an expense of Two Hundred Thousand (\$200,000) Dollars, which improvements consist of landscaping, macadam roadways, trees, shrubbery, three sets of ornamental iron gates, a chapel, and superintendent's quarters with modern improvements. Thon Creek runs through the cemetery, adding greatly to the natural beauty of the grounds. The cemetery is surrounded by a County Forest Preserve, and thereby receives the benefit of the natural beauty of those tracts.

The cemetery contains fifty thousand shares. The lot owners will have a double lot, of which approximately fifteen thousand shares have been sold, and twenty-two thousand additional lots are to be sold within a six-month period commencing Feb. 1, 1922. The remaining lots will be divided up into single graves for single burials for the future. One-half of the cemetery has been fully developed, laid out, beautified and completed. The same work on the remaining portion will be finished in the early summer of 1922. A complete waterworks will be built and in operation about that time, for the purpose of supplying water throughout the cemetery.

Lots up to and including the present time have been sold at prices ranging from \$75.00 to \$400.00. There were no lots sold for any less than \$75.00 since the present improvements were completed.

It is now proposed by officers of the cemetery to sell the twenty-two thousand lots for the flat price of \$50.00 each, instead of \$75.00 and upwards, as heretofore. These lots are to be sold on the installment plan. The purchaser will pay \$10.00 down upon the signing of the contract and \$10.00 or more per month until the full purchase price is paid. In addition to title to the lot the purchaser shall receive two shares of stock for each lot purchased by them, which stock is now being sold for \$15 per share.
